05/31/2015	EEO Midterm Outreach Efforts	For outreach, Carroll Enterprises, Inc. regularly interfaces with Central Michigan University, Delta College, and the Michigan Association of Broadcasters for career opportunities for students and new job hires when vacancies exist. Such vacancies have not existed for some time now due to poor economic conditions in the broadcast industry in exurban and rural Michigan, most especially in the AM broadcasting industry. Vacancies when they do occur are announced to all local newspapers and placed on the WKJC web page, on the air on all stations and with "Michigan Works", a job placement agency. Employees of Carroll Enterprises regularly participate in career days in the Tawas City and Hillman areas. When available, Carroll Enterprises uses unpaid interns from local educational institutions, allowing members of the community to acquire skills needed for broadcast employment and to obtain scholastic credit. Those interns receive training and experience in various areas of broadcasting including news, programming, production, promotion, events and sales.
